On 4/7/2025, the UB community was notified of 13 students (both current and recent grads) whose visas have been revoked by DHS. While the "reasons" remain unknown, this event is part of a greater xenophobic pattern washing through the US. We must join together to protect international students, staff, faculty, and alumni.

Sign our petition, and show up to our upcoming actions on 4/19 (1 to 3PM, following "Hands Off" at Niagara Sq) and 4/21 (1 to 3:30PM, on Founder's Plaza at UB North) to demand JUSTICE for immigrants!
